

Worksheet Answers—Jann's Reading

The Gifts I Told Jann About:

Jann's gifts revolved around helping others to grow, empowering others, being a champion for other peoples' potential and goals, coaching, seeing the good in others, managing/leading, and using her intuition.

Jann's Soul Profile:

AA REALM: 7th/Kamiel

SOUL GROUP OF ORIGIN: Mintakan 83% and Blueprint Translator 17% (I focused mainly on the Mintakan side of her soul group of origin, as this was the most dominant.)

ARCHETYPES: Intuitive, humanitarian, coach — helping others succeed, management and leadership

The Steps of the Career Reading Placed in Order:

1. Explained to her what is going to happen in this reading and reminded her that the reading could be tailored to whatever she needed at that point in time, giving her a choice.
2. Spnt several minutes tuning into her Akashic Record to gain the information needed
3. Passed on the soul gifts relevant to her career that were drawn from her Akashic Record
4. Asked for feedback
5. Tuned into her Spirit Guides/Higher Self to gain more information about which careers might be suitable for her soul gifts*
6. Asked how the information applies to her current career and gave her an opening to talk about this if she wanted to*
7. Passed on a general message about her self-belief and self-confidence in the area of career*
8. Passed on the life lesson which she is learning in her career*

* Denotes an optional step in a career reading
